develoPPP

Where business meets development.

Does your start-up have a positive impact on development?

Let us help you scale.

100,000 euros
grant financing

develoPPP Ventures
Call for applications Q4/2023

develoPPP Ventures is aimed at scaling young companies in developing and emerging economies, whose innovative business model has a sustainable economic, ecological or social impact.

Via a matching-funds model, the German Federal Ministry for Economic Cooperation and Development (BMZ) provides a grant of up to 100,000 euros for suitable growth investments. In Q4/2023 develoPPP Ventures is available in Kenya, Nigeria and Tanzania. Women-led start-ups and start-ups promoting gender equality are especially encouraged to apply.

For more information on the programme, a complete list of participation requirements and everything you need to apply please visit **www.develoPPP.de/en/ventures**
